All tents taken down, and most mattresses removed

Food bill: \$500

Things to Do Next:

Frank Bowmen Trail
Fall Induction - 10/9-11

Originally meant to get last minute arrowmen prior to Conclave, but Conclave has been moved so priority is lower.

- Stephen Hay thinks we should have this Induction
- Randy wonders If they can be rolled over
- Clayton says it's good idea as long as enough people are registered.
- Someone suggests Lots of publication
- Stephen asks if we can move it later in year.
- Hayden says calendar is set, so discussion is yes/no
- **General Answer is Yes**
- Promotion is necessary! Lodge can only do so much! Arrowmen need to spread word-of-mouth, encourage elected youth to come. Last possible Ordeal!

- Jason encourages people to get their brotherhood as well.
- No Walk-ons accepted
- Youth and Adult Chairmen also need to be decided.
- **Ezekiel Wells volunteers to be Y Chair.**
- No one else volunteered.

Chapter Roll Call and Reports:

BA: Here - No Report

AK: Here - No report

ME: Here - Seven new ordeals for Mechek! And one Brotherhood!

MA: Here - No Report

Fall Fellowship - 9/18-20

Ideally still happening, but we need to establish whether act normally at Camp or have virtual. National is granting more assistance to virtual events. Online games are an option of course.

- Date remains the same either way
- James Crussell votes online for greater participation.
- Clayton questions how days would work for virtual
- Hayden clarifies that Virtual would ONLY be Saturday
- Shane prefers to have it in person, just because.
- Zeph points out that it would be missing something by having it Virtual, especially for new recruits.
- Samuel suggests having in-person event with Virtual options?
- Hayden likes idea, but wifi at camp is horrible.
- **General Answer is to have it at Camp.**
- Need Y and A Chair.
- Stephen wonders if it would be best to have separate In Person and Virtual Chairs
- Stephen volunteers to do Virtual Y Chair, if he can't make it in-person.
- *Tabling discussion for In-person Chair*
- Zeph? Points out that if there are not enough people for in-person, fall back into Virtual only.
- Zeph is willing to copilot with Y Chair
- Alex agrees (reluctantly) to be y Chair for In-person event.
- What's the minimum of participants before we drop in-person
- Hayden says typical is 20-30 people
- Stephen says less than 20.
- Zeke votes 15.
- Jason says 25
- Scott suggests basing number off of Youth participation only.
- Zeke suggests cut-off at 20 youth.
- Joshua suggests waiting to see how many sign up, because numbers are too inconsistent.
- Hayden recommends cut off at a minimum of 15 youth for In-Person.
- It needs to be VERY CLEAR that the in-person event will be dropped if less than 15 people!!!!

- Zeph asks when the cut-off date is?
- Hayden answers September 7th.

Vigil Weekend - 10/3-4

Is by invitation only! If invited, show up, if not, just wait

LLD - 12/5

- Like a squished Summer Camp program.
- Skill classes, Quest and competitions, patch trading!
- James volunteers to take on some position for Conclave

Open Discussion:

College of Cubs - 1/9

- OA providing food, benefiting from proceeds
- Run by the Council to train Cub Leaders
- Lodge will cook and serve lunch, and we make money off of it.
- Lodge hopes to encourage more events like this.
- Money can be for supplies, or event scholarships!
- Hoping for 100+ participants, so need lots of Arrowmen.

Next LEC -

- September 20th

Jason would very much like to form a proper Ordeal Ceremony team.

- JD says he'll help.
- Zeph agrees
- Jason agrees?
- Encourage discussion in chapters/troops
- Austin volunteered

Questions:

- Stephen asks about sections and assignments at Conclave
- JD is working on the answer to that. Is in contact with chairmen, who are staying the same. (Maverick Hart is y Chairmen, and Clayton will be assisting him). Working on contacting A chairmen. (Brenda is only one who's responding)
- Youth Chairs are welcome!
- Even if chairs are chosen, help out with committees!
- JD would like someone other than Maverick for Y Chair for Special Events.

- Shane asks he will receive handbook and card.
- Hayden says they'll be mailed out soon.

- No definite date for next TAC2, but first sat in October

- Stephen asked if Zoom LECs is continuing?
- Hayden points out that doing both is great for those who cannot be in person.
- Stephen says doing Zoom with in person is great.

Adviser's minute:

It's very easy to become stressed with what's going on. It's easy to then blow up. But it's important to take a step back and regroup. Everyone is going through stress, and we encourage patience.
