BSA SAFETY MOMENT

TRAILER THEFT

SUMMARY

Hello Scouts and Scouters, today's safety moment focuses on safeguarding your troop's valuable equipment trailer from theft. Properly securing your trailer not only prevents financial loss but also ensures that your troop's outings and activities proceed without disruptions caused by missing equipment.

GENERAL INFORMATION

The Importance of Prevention:

A troop's equipment trailer holds valuable gear essential for successful outings. Preventive measures are key to deterring theft, although no method is foolproof. The objective is to make stealing the trailer a difficult and unattractive prospect for potential thieves.

Security Measures to Consider:

Physical Security:

- **Hitch Lock:** Use a hitch lock to secure the ball socket, ensuring the hasp is locked. Remove or padlock safety chains.
- **Door Locks:** Lock rear doors from the inside and upgrade side door handles. Add hasp and padlock for enhanced security.
- **Wheel Locks:** Employ a sturdy "boot" that immobilizes the tire and wheel, covering lug nuts to prevent removal.

Visual Deterrents:

- **Bright Paint:** Paint your troop number on the roof in large numerals. Alternatively, paint the tongue, rear bumper, and wheels in a conspicuous color.
- **Equipment Storage:** If feasible, avoid storing equipment in the trailer, making it less appealing to potential thieves.

Electronic Measures:

- **Theft Detection:** Consider using alarms or motion sensors.
- **Surveillance Cameras:** Install cameras to monitor the trailer's location.
- **Tracking Device:** Use electronic trackers to trace the trailer's location.

Location and Identity:

- **Secure Storage:** Whenever possible, store the trailer in a secure, locked yard with limited access.
- **Parking Strategy:** Position the hitch towards a wall and remove the dolly wheel.
- **Identity Protection:** Do not store registration paperwork in the trailer. Temporarily remove the license plate during storage, and ensure it's replaced before towing.

Insurance Coverage:

- **Verify Coverage:** Contact your chartered organization's insurance carrier to confirm coverage for theft or equipment replacement.

Working Together to Prevent Theft:

By implementing these measures, we collectively contribute to protecting our troop's equipment and ensuring the smooth flow of our outings. While no approach can guarantee absolute security, our efforts will discourage potential thieves from targeting our trailers. Let's work together to create a secure environment for our troop's equipment and continue enjoying our scouting adventures without unnecessary interruptions. Stay vigilant, stay safe!

POWDER HORN 2024

Powder Horn gives you the contacts and tools necessary to conduct an awesome high-adventure program in your unit.

The "hands-on" approach makes for an exciting and action-packed course.

Participants may sample adventures from Camp Davy Crockett as well as all around the region, including biking the Creeper Trail, learning about regional living history and reenactments, fishing our local waterways, learning what it takes to maintain the Appalachian Trail, and so much more. Those leaders will use those resources to plan their units next great adventure.

GILWELL HALL

CAMP DAVY CROCKETT

Two Weekends!

March 21 - 23, 2025
&
April 12 - 13, 2025

Scouts and Scouters all around the world are encouraged to go for a hike on the second Saturday in May. In 2024 that will be May 11th. (If circumstances prevent you from being able to join on May 11th so if you need to celebrate on a different day, that is perfectly fine.) How to participate? You decide where to hike. Based on your level of experience, age range, and level of comfort, you make of it what you will. It can be as short or long, easy or hard, as you decide is appropriate.

Youth Protection

Hazardous Weather

Search: Hazardous Weather

Why is Youth Protection Training Important?

- Youth Protection training is required for all BSA registered volunteers and is a joining requirement.
- Youth Protection training must be taken every two years. If a volunteer's Youth Protection training record is not current at the time of recharter, the volunteer will not be re-registered.

Visit Sequoyahcouncil.org/calendar for more details and to register for all of these courses as well as other upcoming events and activities.

For questions regarding training, contact Jay Oberfeiting, Council Training Chair at wayne.oberfeiting@gmail.com
