

Sequoyah Council National Eagle Scout Association

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

MISSION STATEMENT

An alliance of area Eagle Scouts with a mission to promote and build leadership skills, fellowship, and support the Council.

VISION STATEMENT

To involve all area Eagle Scouts as active participants in the mission of the Boy Scouts of America.

Adult Eagle Scouts,

Have you been to Camp lately? If not, you may want to plan a trip to see the work that the 844th Engineers have been doing in constructing our new shooting range and the shower bathrooms that are being built. These projects are going to really improve our Camp! As you can see by the photos below.

in our next newsletter, we'll also talk about our new Nature Center which will be a first-class center for learning about the outdoors. We hope that SCNESA will be making major contributions to this project.

Our organization has several projects throughout the year, helping our youth and promoting the Scouting movement. There's never been a time like now that we need to develop great leaders for our country.

Again, call the Council office (423) 952-6961 to join.

We need your help.

MARK YOUR CALENDAR...

Eagle Scout Directory

In mid-April, Eagle Scouts from across the nation began receiving postcards relating to the 2025 Eagle Scout directory. The last directory was produced in 2020. Take a look at the flyer at right.

NESA and Publishing Concepts (PCI) have been working together to create this directory as an opportunity for Eagle Scouts to share their life stories and photos with a much larger audience.

A few things you should be aware of if you receive inquiries from Eagle Scouts in your council.

- There is no purchase obligation to participate.

- This is a legitimate request.
- Please spread the word to Eagle Scouts through your social media and council communications.
- There will be an opportunity to purchase the directory and other items offered by PCI, this is optional.
- Once the production of the year book is completed, purchased directories will be shipped directly to the purchasers.
- If you have any questions, email nesa@scouting.org.
